- 43. (Currently Amended) A wireless communication system, comprising:
a first wireless telephone subscribed to receive one or more services from a first wireless service provider, the first wireless telephone being a personal wireless telephone and; and
a second wireless telephone subscribed to receive one or more services from a second wireless service provider and sharing at least one service of the one or more services with the first wireless telephone, the second wireless telephone being a vehicular wireless telephone;
the first wireless telephone and the second wireless telephone sharing

a single wireless service plan administered by the first wireless service provider or the second wireless service provider, and
a single billing report under the single wireless service plan.

44. (Original) The wireless communication system recited in claim 43, wherein the second wireless telephone is subscribed to receive one or more services from a second wireless service provider.

45. (Original) The wireless communication system recited in claim 44, wherein the second wireless service provider is different from the first wireless service provider.

46. (Original) The wireless communication system recited in claim 45, wherein the first wireless service provider cooperates with the second wireless service provider to share the at least one shared service with the second wireless telephone.

47. (Canceled).

48. (Canceled).

49. (Currently Amended) The wireless communication system recited in claim 4843, wherein

the second wireless service provider is different from the first wireless service provider; and

revenue obtained under the single wireless service plan is divided between the first wireless service provider and the second wireless service provider.
